

# NEA-New Hampshire Recommended Candidates for 2020

With more than 17,000 members, NEA-NH has an obligation to provide you with information regarding where candidates stand on issues affecting public education and our profession. **Candidates are evaluated on their support for educators and public education issues.** NEA-NH does NOT use other social issues in its decision-making process. The candidate's party affiliation is of no importance. NEA-NH respects each member's vote to be the private and personal act that it is. Recommendations are made to inform members. Because educators work in one of the most highly regulated professions and because those regulations are dictated by the laws passed by legislators and signed by the President or Governor, we take this informational role very seriously. Individuals who do not support the work our members do, or our right to bargain their contracts, or who refuse to provide the funding necessary to educate children, are working tirelessly to get elected and to elect the candidates who support their anti-education views. We must work even harder to ensure students come out on top this election.

**Recommended Statewide: NH Governor: Dan Feltes, US Senate: Senator Jeanne Shaheen**

## Public Schools are the Result of Valuing Children Over Profit.

As a society, we have long held that the value of public education was so great, that we would all share in its costs.

Elected officials have the power to create and fund laws that can help fulfill or break that promise. As you go about deciding who to elect, please remember just how valuable our public schools are and how much they need our support.

### Public Schools Instill and Nurture a Great Sense of Community.

Public schools are the heart of the communities they serve and do much more than just teach children. They host continuing education courses for adults, extracurricular activities, sporting events, academic clubs, open libraries, and invite the community for concerts, and seminars.

### Public Schools Offer the Most Educational Choices.

Our schools offer a wide variety of classes, including foreign languages, voc-tech, arts and humanities, independent studies, and college credit courses. In a public school, students receive services designed to meet their individual special and gifted education needs, and extended learning opportunities outside of the school walls overseen by a certified educator.

### Public Schools Are Fiscally Responsible

and spend their money more wisely than privatized schools because all spending decisions happen in public view.

### Public Schools Have A Deep Commitment to Students.

Charter and voucher schools don't have to accept every child. Public schools have a commitment to educating every child who lives in the district.

### You Own the Public School in Your Neighborhood.

Public schools are run by your friends, neighbors and co-workers and give parents and the community a real voice.

We hope you help elect leaders who know just how great our public schools are. Never underestimate your role in helping to defend and improve them.

And the first step is to VOTE.

## HOW TO VOTE IN 2020

In 2020, Any eligible voter may vote absentee in 2020 due to COVID-19. Check the box for COVID-19 concerns on your absentee ballot application to get your ballot! We are encouraging voters to request their absentee ballot NOW from their local clerk. Voters can request, fill out, and return their ballot in a **single trip at their clerk's office** once ballots are available, or, follow these steps to vote from home:

### FOLLOW THESE STEPS TO VOTE FROM HOME

- 1. Download your absentee ballot application form:**  
[www.voteinnh.org/absenteeapplication](http://www.voteinnh.org/absenteeapplication)
- 2. Complete your ballot application!** You can check the COVID box.
- 3. Return your application to your clerk's office!** You can send the application by email, fax, mail or drop it off in person. We are encouraging voters to request their absentee ballot NOW from your local clerk.
- 4. Track your ballot** [www.voteinnh.org/votetracker](http://www.voteinnh.org/votetracker)  
This tracker will show you when: (1) your application is received, (2) the ballot is mailed to you, and (3) your completed ballot is received by your clerk.
- 5. Vote!** Check your mail for your ballot. If you get your request in early, you should expect to get your ballot about 30 days before the election. Then VOTE!
- 6. Prepare your ballot for return.** Read the instructions carefully and don't forget to sign the inner envelope!
- 7. Return your ballot!** You can drop off your completed ballot at your clerk's office during business hours or at a staffed drop box. If you mail your ballot, you'll need one 55-cent first-class stamp, and we recommend mailing your completed ballot back by October 23rd. Make sure your mailed ballot **arrives** at your local clerk's office by 5 PM on Election Day.

Questions? Check out [www.voteinnh.org](http://www.voteinnh.org) or call 603-GO-N-VOTE

## When it comes to making laws in New Hampshire,

Already this year, the Governor has **vetoed**:

- \$138 million in additional education funding
- preserving local control of public education and awarding credit towards graduation
- stronger rights for you at work

**We need to hold our elected officials, including the Governor, accountable.**

### It's time to stop wishing, and take action.

A great public school for every student.

## NEA-NH Core Values:

NEA-NH believes every student, regardless of family income or place of residence, deserves a quality education. In pursuing our mission, we will focus the energy and resources of our 17,000 members on improving the quality of teaching, increasing student achievement and making schools safer, better places to learn.

**Equal Opportunity.** We believe public education is the gateway to opportunity. All students have the human and civil right to a quality public education that develops their potential, independence, and character.

**A Just Society.** We believe public education is vital to building respect for the worth, dignity, and equality of every individual in our diverse society.

**Democracy.** We believe public education is the cornerstone of our republic. Public education provides individuals with the skills to be involved, informed, and engaged in our representative democracy.

**Professionalism.** We believe that the expertise and judgment of education professionals are critical to student success. We maintain the highest professional standards, and we expect the status, compensation, and respect due all professionals.

**Partnership.** We believe partnerships with parents, families, communities, and other stakeholders are essential to quality public education and student success.

**Collective Action.** We believe individuals are strengthened when they work together for the common good. As education professionals, we improve both our professional status and the quality of public education when we unite and advocate collectively.

## NEA-NH's legislative priorities and candidate recommendations are rooted in our mission, vision, and core values.
